Atlanta Fleet 12 aka Multihull Fleet of Lake Lanier Sailing Club invite you to attend their EMSA Division Nine points regatta. The event will be held out of the LLSC Club Property. Please read through the following information for details on the regatta. We look forward to seeing you! Hasta la vista!

RV's and CAMPING

There will not be a charge for camping as we're now affiliated with Lake Lanier Sailing Club. We will be placing all RV's in the gravel parking lot just above the clubhouse. We can not provide any hook-ups for the RV's, so plan to run on generator if you need them. Tent camping will be down in the camping area, first come first serve on spaces available. We will have the camping area to ourselves this year. Again—NO CHARGE FOR CAMPING (Buy raffle tickets instead!)

NO PETS ARE ALLOWED ON THE PROPERTY.

REGISTRATION INFORMATION

We will be launching the catamarans out of Area A ramp closest to the clubhouse. Trailers will be stored in the gravel lot above the clubhouse.

Registration Opens Friday from 6pm-8pm and 9am-10am Saturday—\$40 Crewed Cats, \$25 Singlehand

(This includes 1 T-shirt and meal tickets for skipper and crew.)

Additional Meal/Party Tickets \$10 per person, Children under 10 \$5 meal tickets

Additional T-shirts available for purchase

Dinner will be a chicken and beef Taco bar, with soft drinks, Margaritas and Mexican beer!

So don't go and Sink-Oh your Boat-Oh!

DIRECTIONS and WEB SITES:

From I-85 take Exit for Hwy 53 go West until you cross under I-985 (Mundy Mill Rd exit #16). Keep going West until you dead end at McEver Rd. Go left, past West Hall High School. Next traffic light is Jim Crowe Rd. turn Right. You will pass the Day Use Area for Old Federal, within a half a mile a white fence will come up on your left, you will then see the entrance for Lake Lanier Sailing Club (Red/Green lights on the fence posts). Turn left into the Club Property, then straight back until the road dead ends at the club. Please be considerate of the amount of rigging space you use as the area will get congested and turn around is minimal. There is beach area around the point from the ramp to leave boats until racing starts as well as over night.
